New! Medicaid Family Planning Waiver Program

*Provided by:
The State of Mississippi*

Family Planning can help you and your family have a better life.

- Better health for yourself and your baby when you do become pregnant.
- Parents can better provide for their family, both financially and emotionally.
- Children get more time and attention.

Now, more women are eligible— What you should know about this new program!

The purpose of the Waiver Program is to extend Medicaid coverage of Family Planning Services to women throughout the state. This program will offer:

- **Medical Exam**
- **Education**
- **Limited Lab Services**
- **Follow-Up Visits**
- **Birth Control Methods**

Who Can Get These Services?

- Women ages 13-44 who live in Mississippi
- U.S. citizen or legally in the country
- Women who meet income requirements
- Women who have not had surgery to prevent pregnancy

Where Can You Get These Services?

- Any Medicaid Provider
- Community Health Centers
- County Health Departments

What's Not Covered:

- **Primary Care Services**
You can get these services at any of the community health centers listed in this brochure. Medicaid will reimburse for Family Planning Services only.
